

Scene 2 – Welcome to Neverland

As the gauze rises we see Neverland for the first time. It is a beautiful place all the trees and plants have beautiful flowers of many different colours all over them. There are a couple of wigwams on stage among the dense shrubbery and a Totem Pole juts up somewhere. More colourful branches and trees hang down so that it all looks cluttered and dense. Through the trees far away in the distance we can see a pirate ship docked in a cove. As the lights come up the Indians and the Lost Boys are in the middle of a wild fight. Daggers and axes are waved wildly as they go at it. Big Chief Whatsittoya stands centre on a tree stump and after a few minutes he calls for order.

Chief KNOCK IT OFF.

Everyone freezes in hilarious positions.

Chief It's time we smokem the peace pipe.

He puffs on a large pipe then passes to the others who have all sat down legs crossed.

Chief For many years The Whatsittoya tribe...

All Indians shout

Chief and the Lost Boys....

All The Lost Boys shout

Chief ...we have had many, many big battles, some times you win....

All The Lost Boys cheer

All the Indians Boo

Chief ...sometimes we win...

All the Indians cheer. All The Lost Boys Boo.

Chief But every time at end we smokem the Peace pipe.

Nibs That is very true big chief. A time-honoured tradition.

Curly Yaa, smokem, smokem, smokem!

Tootles Button it Curly, Thanks big chief, as leader of The Lost Boys...

Slightly In Peter's absence.

Tootles ...in Peter's absence, I am delighted to smoke your pipe after our great victory.

All the Indians Boo.

Chief Hushem! White boy is right.

Nibs Tootles got something right? Are you sure?

Chief Ohhhhh yesem, white boys win this one for sure and as reward your leader...

Tootles That's me.

Slightly In Peter's absence.

Tootles Ya ya you were saying big Chief about a reward.

Chief Oh yes for reward you get date with my beautiful daughter.

All the Indians laugh

Tootles Now you're talking Chief. She's a lucky girl.

Curly Heeeey I want to win the girl.

Nibs Yes Chief it does seem particularly unfair that only Tootles gets the reward

The Twins Like totally unjust guys!

Slightly I'd like a reward.

Chief No worry white boys, there is enough of my daughter for all. Standem back and make way for Beautiful Indian squaw Tiger Lily. *(To band)* Hit it Big Chief Swinging Baton!

Musical Number – Oh What A Night

During the Musical Number Tiger Lily is introduced and dances with all the boys as they try to get away from her.

Tiger Lily HOW everybody! (*To audience*) HOW boys and girls? I said HOW!

Tootles How what?

Tiger Lily How about I give ya a smack in the head? HOW is how us Indians greet each other (*To other Indians*) isn't that right girls?

Tiger Lily See it's a dawdle lads, lets try it again, HOW everybody!

Audience replies

Tiger Lily That's the stuff, now every time I come on and say HOW you have to say it back to me, got it? (*Picks on one person in the front row*) Hey you head, pay attention cause if the next time I come out you don't hop up and say how I'll go down there and hop off you. Riff Raff.

Chief Whatsittoya!

Nibs Fine! I don't want to know.

Chief No silly boy! That is the name of our tribe, we are The Whatsittoya Tribe!

Tiger Lily And it's great to be back in the club!

Tiger Lily I've just got back from my holidays.

Slightly Where were you?

Nibs The Coasta Del Courtown!

Tiger Lily Actually I was in Narnia.

Curly Is it true that you get to Narnia by walking through a wardrobe.

Tiger Lily No, I got there by falling down a pothole on the Curraclloe road. Anyway it's great to be back. What's new in Neverland? (*To the Lost Boys*) You lot are for a start, who are you boys? And why are all the men around here so young?

Tootles We're The Lost Boys. (*To the boys*) Lost Boys fall in.

Twins SUP TIGER LILY!

Tiger Lily Well it's lovely to meet you boys, (*To Twins*) even you two. But come here tell me, why do they call you Lost Boys?

Slightly We are all babies who fell out of their prams.

Nibs And Peter rescued us and took us to Neverland.

Tiger Lily (To Curly) Looking at you you were probably thrown out! Ahhh Peter Pan, now I do know him, where is the young rascal?

Tootles He's off on an adventure somewhere. And in his absence...

He closes his eyes and shoots, we hear Wendy scream from the wing.

Tootles He hit it!

Tink He did?

Slightly I did?

Nibs Well done Slightly you'll be a hero.

Nibs Never fear Peter we have slain the Wendy Bird!

Peter What? (*Spots Wendy in the wing*) What happened?

He runs into the wing to where Wendy lies, he can take off his flying equipment at this point too.

Peter (*From the wing*) Give me a hand you silly boys.

The boys go into the wing and help Peter carry the injured Wendy onto stage.

Tiger Lily What's the matter with him, kids nowadays, no gratitude, ah Tink? Tink? What's wrong with you Tink? You look like you've got a guilty conscience. Is that it Tink do you have a guilty conscience, ha ha? Guilty conscience is it? Is it guilt, GUILT is that it Tink?

Peter Good cause your banished!

Tink GOOD!
